Hallo [REDACTED],

your e-mail does not answer my question concerning the DATA USE (source, purpose and transfers of data). This has to be answered under section 4 Irish Data Protection Act, which governs all activities of Facebook in Europe. My complaint is written and will be mailed to the Irish DPA on THURSDAY (European time).

I do give you the last chance of sending me this information until Thursday the 21st of July 2011, 12:00 noon, Central European Time.

Thank you for your cooperation,
[REDACTED]
